PROPERTY DESCRIPTION

With the building topped-out and estimated completion in December of this year, this CitiHomes off-plan resale makes for a great purchase opportunity, at a time when the market is getting stronger day by day. When tenants aren't relaxing in their fully furnished apartments, CitiHome Gibraltar offers four different communal spaces to relax and unwind including a business lounge for home working, a café, a gym and a heated indoor pool. All CitiHome Serviced Apartments will have a House Manager nearby, ready to assist you with any other queries. Whether investors are seeking short-term renters or long-term tenants. Residents will also be able to enjoy on-site optional additional management which includes cleaning, laundry, maintenance, tenant changeovers, security and more, subject to management package.
